

The Southampton

Practical Cardiac MRI Course

Southampton
General Hospital,
18th - 22nd June
2018

Course description

This is a 5-day course covering the theory and practical applications of cardiac MRI (CMR). It is designed for a small number of delegates to allow for hands-on workstation experience, small group tutorials and live scanning sessions – the emphasis being on developing the practical skills and knowledge to perform and report CMR.

Course delivery

The course will be delivered by a team of consultants, physicists and radiographers, with extensive CMR experience and long history of running successful courses. The Physics course will once again be delivered by Dr John Ridgway who has an international reputation and expertise in teaching CMR physics.

Course Directors

Dr Ausami Abbas
Dr James Shambrook

Venue

Heartbeat Education Centre,
Southampton General Hospital
Tremona Road
Southampton
Hampshire. SO16 6YD.

Accommodation

The Grand Harbour Hotel, Southampton
