

BSCI Annual Spring Meeting | 2019, 16-17th May Cambridge

Provisional Program

Thursday 16th May

8.50 to 9.00 am | Welcome and opening comments

Updates in cardiac imaging

9.00 to 9.20 am	Updates on cardiac CT	TBC
9.20 to 9.40 am	Updates on cardiac MR	TBC
9.40 to 10.00 am	Updates on echocardiography	TBC
10.00 to 10.20 am	Updates on cardiac nuclear medicine	Dr Leon Menzies
10.20 to 10.40 am	CTFFR, where are we now?	Dr Binu Sukumaran

Coffee

Controversies in Cardiac CT

11.10 to 11.40 am	The Primacy of Cardiac CT	Dr Andrew Kelion
11.40 to 12.10 am	The Provision of Cardiac CT	Dr Giles Roditi
12.10 to 12.20 am	Questions	

Industry session

12.20 to 12.35 pm	Cannon Medical Imaging	
12.35 to 12.50 pm	GE Healthcare	

AGM, poster viewing and lunch

Transplant imaging

13.50 to 14.10 pm	Transplant vasculopathy imaging	TBC
14.10 to 14.30 pm	Imaging transplant rejection	TBC
14.30 to 14.50 pm	CT in artificial circulations (ECMO, VAD, TAH)	Dr Bobby Agrawal

Thursday 16th May Continued

Functional imaging

14.50 to 15.10 pm	Quantitative perfusion imaging	TBC
15.10 to 15.30 pm	Multimodality plaque imaging	Dr Jason Tarkin
14.30 to 14.50 pm	Functional imaging in aortic valve disease	Professor David Newby

Coffee

Plenary session

16.10 to 17.10 pm	Sarcoid imaging – past, present and future of cardiac imaging	Dr Richard Coulden
-------------------	---	--------------------

Closing remarks

17.10 to 17.20 pm	Closing remarks	
-------------------	-----------------	--

Conference dinner (registration required)

Friday 17th May

8.50 to 9.00 am	Welcome and opening comments	
-----------------	------------------------------	--

Pulmonary arterial hypertension

9.10 to 9.30 am	Clinical aspects of PAH	Dr Joanna Pepke-Zaba
9.30 to 9.50 am	Multimodality imaging in PAH	Dr Nick Screatton
8.50 to 10.10 am	Balloon angioplasty in PAH	Dr Stephen Hoole

TAVI imaging

10.10 to 10.30 am	TAVI imaging	Dr Jonathan Weir-McCall
-------------------	--------------	-------------------------

Congenital heart disease

10.30 to 10.50 am	Incidental CHD on CT	Dr James Shambrook
10.50 to 11.10 am	Incidental CHD on MRI	Dr Marina Hughes

Coffee

Imaging in electrophysiology

11.30 to 11.50 am	Imaging in atrial arrhythmia	Dr Andrew Grace
11.50 to 12.10 pm	Imaging in ventricular arrhythmia	TBC

Friday 17th May Continued

BSCI/BSCCT Young Investigator oral presentations

12.10 to 12.50 pm | TBC – **Abstract submission deadline 15th March**

Industry session

12.50 to 13.05 pm | Heartflow

13.05 to 13.20 pm | Siemens Healthineers

Lunch and poster viewing

BSCI/BSCCT Trainee case presentations

12.50 to 14.20 pm | TBC – **Abstract submission deadline 15th March**

Inherited cardiac conditions

14.20 to 14.40 pm | Aortic disease – clinical | TBC

14.40 to 15.00 pm | Aortic disease – imaging | Dr John Dreisberg

15.00 to 15.20 pm | Inherited cardiomyopathy – clinical | TBC

15.20 to 15.40 pm | Inherited cardiomyopathy – imaging | Dr Mark Hamilton

Read with the experts

15.40 to 16.00 pm | Read with the experts | TBC

Closing session

16.00 to 16.30 pm | Accreditation and training update | TBC

Prize giving | Dr Giles Roditi

Message from the incoming president | Dr Russel Bull

Meeting close
