

Cardiac CT – The Cutting Edge

BSCI Spring Meeting and Annual General Meeting 2012

The Peninsula Radiology Academy, Plymouth NHS Trust

Friday 4th May 2012

www.bsci.org.uk

Cardiac CT is becoming central in the management of patients with cardiac disease but remains technically challenging. The aim of the meeting is to ensure delegates understand the fundamentals of image acquisition as well as the indications (present & future) with lectures from leading experts in the UK.
